The POTIK umbrella is a classic model with automatic opening and manual closing. Its canopy is made of durable 190T rPET polyester and the structure is reinforced by a frame made of fibreglass, metal and wood for increased wind resistance. The wooden shaft and bamboo handle give it an elegant look, while the wooden ends of the panels emphasise the natural character. Lightweight, sturdy and comfortable, it provides reliable protection on rainy days. The possibility of branding makes the POTIK umbrella a practical advertising gadget.
