Whisky stones - total novelty on our market - gadget for demanding clients, especially for whisky lovers. This set of 9 special stones completely replaces traditional ice cubes. All you need to do is to leave whisky stones in your freezer for about 4 hours. After this time you may use them as a substitute to ice cubes. The biggest advantages of this gadget over traditional ice cubes are: stones don't dilute alcohol, you can use them multiple times, they are innovative. Stones are made of natural basalt and are certified for use with food.
