Code: **37041-04**

Price: **€15.17** Net

AVAILABLE COLORS:

**03**

**07**

**04**

**15**

The revolutionary REVERS umbrella stands out not only with its shape, but also with its functionality. After folding, water from the canopy stays inside the umbrella thanks to the inverted mechanism. This allows you – and the area around you – to stay dry. Additionally, the umbrella has a characteristic handle which is very useful when you need to use both hands. Double-sided canopy made of 190T polyester.
